FRIDAY, MAY 15th, 1942

NUMBER 3

Lovely Rain Soaks Land

One of the old-fashioned rains of years ago descended over the district over the week-end and gave farm lands and gardens a thorough soaking. Rain gauges registered just about 2 inches which means a penetration of from one to two feet in the soil, depending on its condition.

Starting about 9:30 Saturday evening, it continued almost steadily until noon on Monday. There were times for a spell of a few minutes when no rain fell but only for short times, and then at times it would come almost like a cloud burst for an hour or two and really have the water standing in pools on gardens and in the road.

With beets practically seeded and wheat about 60 p.c. in, farmers sat back and smiled as the rain banged on the roof. It made crop prospects ideal or a better than average crop. Some coarse grains and grasses remain to be seeded, but with this moisture, and with warm weather, these crops will make sensational growth when the ground dries sufficiently for them to be seeded. Pasture and hay lands will be greatly benefitted by the copious rain. Cool weather following the downfall has allowed the land to dry without baking, and this will be another distinct advantage in the benefit of the storm.

Rain fell again most of Thursday and during the night a light fall of snow came with a cool north wind blowing Friday morning. We heard unofficially that there was nine inches of snow out on the ridge. This storm ushered in a change of the moon so we might have a unsettled week ahead.

HOSPITAL DRIVE NOTES

The Committee is pleased to report steady progress in the effort to obtain a Municipal Hospital for Raymond. The more information obtained on this matter, the more feasible and necessary such an institution becomes. Reports of other Hospitals, conversations with officials who administer them, and the added comforts that could be extended to our people when hospitalization is needed makes it seem a shame that anyone should not lend his support 100 p.c. to this effort.

Unanimous support of the Town Council has been given. The Municipal Council expressed its approval, although no vote was recorded, and the sentiment of the public is apparently in favor of it. There are a number of plans of operation for these Hospitals that may be worked, and the local Board has a great deal of leeway in the set-up respecting prices of contracts, taxes and their collection, and mill rates and so on. A Board of three, five or seven depending on the size of the district administers the affairs of the district, and they are directly responsible to the people for the operation of the Hospital. Maximum taxation for the District is set by the Department of Health, and the local Board appoints this to the different blocks of the district for tax collections.

The local Committee is in touch with the Department of Health respecting boundaries of our proposed district, and when this is decided then the preliminary work incident to the actual setting up of the machinery of organization will be carried on.

TOWN COUNCIL MEETING

Regular Town Council meeting was held Monday evening last with a full quorum present, also Sec. Treas. Jones and Town Engineer Adams. The minutes were read, and the Cash Statement presented and both items were accepted.

A Hospital Committee from the Board of Trade was present and talked to the proposed Municipal Hospital scheme for Raymond, and asked for a resolution from the Council supporting this question. A number of questions were asked, and the Council voted unanimously to support a Hospital.

The Lawn Watering question was discussed and the Council decided to leave the rates the same as last year namely \$3.00 for the season, and the hours were set from 1 to 6 p.m. in the north end of Town and 6 to 11 p.m. in the south end. The dividing line is the street running east and west past the Texaco Service Station. See the ad. in this paper. These hours will be strictly enforced and there is to be no Lawn Watering until the \$3.00 fee is paid.

Decisions were made on the sale and rental of some parcels of land and the pay roll was passed and ordered paid.

CHEESE FACTORY SURE

We have it from good authority, that the application for a charter, on the part of the local Committee working for a Cheese Factory has been passed and that the legal details are being carried out now before the charter is received.

When that is attended to, actual work of organization and construction will be carried out. Members of the Committee are making a trip next week to inspect the Cheese Factory at Glenwood and the Creamery and Locker Storage plant at Pincher Creek to decide on just what is wanted locally so that no space will be wasted in the proposed plant.

Under consideration in the set up are the Cheese Factory, an egg-grading plant, and a locker storage. We understand that a large number of oxen in a storage plant are already spoken for and if a sufficient number can be guaranteed then this will be included in the building and equipment, and from those who have used them, this is a well-earned and highly desirable accommodation to the public.

NEWS NOTES

Mr. and Mrs. S. H. Nelson of Cardston were Raymond visitors Tuesday afternoon.

CRESCENT SHOWS will play at Raymond Thursday Friday and Saturday, May 21-22-23.

Rags, bones, rubber and paper any salvage that you have may be left at Art Pope's Shop and will be taken to salvage centres. DO YOUR BIT FOR VICTORY.

At Rotary meeting Monday Warren Jones reported on the new water set up of the Town, and a discussion followed at some length respecting this. Dr. Madill spoke briefly upon the Hospital scheme asking the support of each and every Rotarian to put the scheme into operation as soon as possible. Lee Brewerton spoke asking assistance from the Club in the present Red Cross Drive.

Quarterly Conference

SUNDAY AFTERNOON

The regular Quarterly Conference of the Taylor Stake of Zion was held Saturday evening and Sunday, with a very good attendance present at all of the meetings, despite the rain storm which continued all day Sunday. Saturday evening two meetings were held. The Aaronic Priesthood Supervisors of the Stake and Wards met with Bishop Wirthlin, Pres. T. Geo. Wood and Pres. Heber P. Allen in the Relief Society room, while in the assembly hall Pres. M. T. King took charge of the meeting and here Stake Pres. Irwin Nelson of the Cottonwood Stake, who is Chairman of the Beautification Committee of the Church Welfare plan, showed a great many photos of church and home buildings, before and after the beautification plan had been put into operation. The tragedy of wrong and misplaced plantings, of wrong color combinations, and of overdoing the planting of trees, hedges or flowers on a project was brought out in marked contrast thru the pictures. This program was interesting and very educational to everyone in attendance.

At the Sunday morning meeting Bishop Hicken read some letters he had received from some of the boys on active service, and Reed Erickson gave a fine talk on personal honesty and dependability. Elders R. G. Hardy of Stirling and Isaac Roberts of the Raymond First Ward reported their short term mission to the Edmonton district and Pres. Ezra T. Benson of the Washington Stake spoke briefly, expressed his joy at being able to visit Canada and meet in Conference and bore his testimony.

Bishop Wirthlin, representing the General Authorities spoke on the power of example and stated that the destiny of this Church is Leadership and the best way to attain this is by the example we set. Cleanliness in thought, word and deed, including our transactions one with another, was one of the greatest needs of the world today, and peace would never come to the earth to stay until confidence, between men and nations, because of honesty, was restored.

Pres. T. Geo. Wood was the first speaker at the 10:30 session, who reported on conditions in the Stake, and also spoke of the wonderful Testimony meeting held in the Temple at the recent General Conference when the Stake Presidents throughout the Church bore testimony to the truthfulness of the work and the goodness of God to his people in these mountain valleys. Elder John T. Spencer who was in the Edmonton district on a short term mission reported briefly, and Pres. Nelson of the Cottonwood Stake bore his testimony and expressed his joy at being present at Conference.

Bishop Wirthlin spoke again and expressed his happiness at being able to come to Canada again and shake hands with the people of these Stakes. He paid tribute to "Mother" on Mother's Day and spoke of the labor of love and unselfishness of our Mothers. He like Lincoln felt "all that I am or ever hope to be, I owe to my darling mother." The great difference between the Church of Jesus-Christ of Latter Day Saints and other churches of the world is the individual testimony of the truthfulness of this work that every true Church member has. The world just cannot understand this thing in us.

Elder McConnel Watson of Magrath, who had just returned from a short term mission to Edmonton, reported briefly and bore his testimony. Stake Clerk I. B. Roberts presented the General Church and Stake authorities and they were all sustained.

Elders Heber Allen and M. T. King of the Stake Presidency spoke briefly and bore testimony to the truthfulness of the work and expressed their joy at being able to serve in it. Pres. Benson again spoke briefly bearing his testimony and relating several very interesting experiences he had enjoyed of meeting and mingling with people both in and out of the Church.

Bishop Wirthlin spoke again and related his recent visit to Hawaii with Pres. David O. McKay where they went to dedicate a lovely new tabernacle, and had also visited the leper colony of Molokai and dedicated a small chapel there. Gratitude was a wonderful characteristic, and after his visit to this leper colony and seeing the wonderful gratitude of these people who were gradually wasting away, he wondered if with the blessings he was receiving, he was as grateful as he should be. He spoke of the broad scope of the Church Welfare plan, that it was intended for the benefit of all of us and he related the story of two wards in a Stake in Arizona which were practically swept away by a flood, but the other wards in the Stake met the tragedy by taking clothing, food bedding, hay and even grain and garden seed to the people of these two small wards to help rehabilitate them. Another man lost part of his store by fire, his fellow quorum members helped clean up the stock and organized a fire sale, from which he received capital enough to restock his store, and then they assisted in rebuilding the damaged portion of it, and he was carrying on again now, independent and happy. These show what the purpose is back of the Church Welfare program. He urged the people to get out of debt and to stay out and read from the instructions of the General Church authorities on these matters.

Because of other appointments the visitors left immediately after the afternoon meeting.

Mayor D. H. Elton of Lethbridge was the speaker in the evening meeting with a special message for the youth and for an hour he exhorted them to aim and achieve the better things of life, as the things that really brought peace and happiness in a person's life.

We must not forget to hand a bouquet to the effective work of the Stake Choir under the baton of W.C. Stone. In our opinion the singing on Sunday was the best of any Stake Choir work we have ever heard in Raymond. There was balance maintained in each section, with a blending of voices that made all of the numbers especially fine. If this group could remain intact, and carry on from their present position, they would render choral music that would definitely be in a class by itself. To harmonize with other singers and to maintain a balance with other sections is the ambition of every good choir and conduct or, and every person in the audience Sunday felt these qualities in the anthems by the Choir.

Red Cross Program

Sunday Night

FIRST WARD CENTENNIAL TREE

At the First Ward grounds Saturday evening last, just preceding Stake Conference, the First Ward Relief Society planted their centennial tree, with a large crowd in attendance, Mrs. I. B. Roberts, Ward President was in charge.

The tree is a lovely Coster Blue Spruce and was planted on the north side of the building, under the direction of H. Myron Holmes, Chairman of the Beautification Committee. Amongst those assisting in the planting were the ward Relief Society Presidency Mesdames Roberts, Meeks and Grey; Mrs. F. B. Rolfsen Mrs. Thos. Hicken, Mrs. L. C. Woolley, Mrs. Sarah Holmes and others. The first Relief Society in Raymond was organized on March 13th, 1902. The prayer of dedication was offered by Bishop J. Orvin Hicken.

NEWS NOTES

Earl Peterson, Texaco Agent, Cardston was here with a load of gasoline today.

Ken Blair of the Mid West Paper Sales Ltd., Lethbridge was in Raymond Monday forenoon.

Chas. Gould, provincial official of the Co-operative Credit Unions of the Province was a Raymond visitor Monday evening, looking into the affairs of our two local unions.

A. N. MacDonald, Provincial Dairy Inspector was a Raymond visitor Wednesday evening and conferred with members of the local Factory Committee while here. Accompanying him was Mr. Mathews of the Bruce-Robinson Electric.

Bicycles are becoming scarce as diamonds. Our local stores have received and sold their 1942 quota, and if they get any more it will be just good luck. As a means of travel they are very satisfactory and save both gas and rubber. Even used ones are only obtainable occasionally.

The Music Club was held on May 4th at the home of Mrs. Jen Hawkins with Miss Ina Jones assistant hostess. The opening song was "I Love you Can you sing" and roll call was answered by each member giving a tribute to her Mother. Marion Brown and Muriel Terry sang "Mother" assisted by the group on chorus. An article from the Etude "They Fiddle for Fun" was given by Dorothy Strong and an article on voice training by Mrs. Riethman. Song practice. "Mr. Churchill our Hats are off to You." and "Let the Mountains Shout for Joy. A musical quiz was directed by Ruth Evans and Arminto Kearn with the prize going to Leah Jones. Next meeting will be held at the home of Mrs. Riethman.

In the evening meeting Sunday the singing was furnished by the combined Lethbridge and Raymond Male Voice Choir, and this group, gave a very fine rendition of their numbers and thrilled the large audience especially with the "Lord's Prayer", a number which always gets a welcome reception.

At the Capitol Sunday evening, May 17th, following Sacramento Services a concert is being held sponsored by the local Red Cross. This concert is to stimulate the drive for funds which will follow, and besides a splendid program of music and entertainment will feature one or two short speeches on Red Cross and its splendid work throughout the world. The fine program put on by the 2nd Ward Choir recently will be the main feature of the program with other numbers added.

The local Committee desire to thank the Choir and its Conductors, Jos. McLean most sincerely for their willingness to assist in this cause, and ask every citizen of Raymond and district who can to attend this Concert enjoy the program and also assist the Red Cross. We are also informed that because of the prolonged storm, the closing date of the drive has been set back one week so that all canvassers will have a chance to cover their districts and every person of whatever nationality will have a chance to help Remember the Capitol, right after Church Sunday evening.

CRESCENT SHOWS TO PLAY AT RAYMOND THURS-FRI. AND SAT. MAY 21-22-23

Hurry! Hurry! you're just in time. Peanuts, Popcorn, Hot Dogs, all familiar sayings of the outdoor show world will fill the air at the Ball Park, Raymond when the Crescent Shows visit Raymond Thursday, Friday & Saturday, May 21-22-23. A sensational new riding device The Tilt-A-Whirl will feature the show which also carries a Ferris Wheel Merry-Go-Round Loop-O-Plane and Kiddie Auto Ride—New Games and concessions will round out the show which will provide entertainment for old and young. Styled to meet entertainment requirements for a nation at war it will be the only visiting attraction to visit the district this season—So don't miss it—Bring the Kiddies. Remember it's at Raymond, Thurs., Fri. and Sat. May 21-22-23 Let's all go.

WARREN JONES WILL PILOT ROTARY

Monday was election day in Rotary, and Warren Jones was chosen President for the coming year, his term to commence on July 1st. His vice-president is Dr. Madill and Ernest Jensen is retained as Secretary-Treasurer of the Club. Committees will be named by the new Executive before the change of officers takes place.

MRS. REG. COOPER'S FATHER PASSES

Mr. and Mrs. Reg. Cooper left this evening (Friday) for Cardston, and are travelling from there to Salt Lake City to attend the funeral of Mrs. Cooper's father, J. T. Brown former Bishop and Mayor of Cardston, who passed away in Salt Lake Friday morning. The funeral is being held Monday.

The late Mr. Brown was a pioneer of Cardston and was supervisor of construction during the erection of the Cardston Temple. He was a farmer, and before migrating from Utah was a Medical Doctor there.

GIVE AND GIVE ALL

Across Canada now the Red Cross drive is in progress. Think this first time in eighteen months that this organization has made an appeal to Canadians and others within our boundaries to assist in this wonderful work.

Don't let the Red Cross down, if you do you may be letting your neighbor's boy or possibly your own down.

The Red Cross is the only service organization that can keep in touch with prisoners of war, men in enemy hospitals and belligerent countries where men may find themselves at times. The parcels mailed each week, the comforts in the way of socks, sweaters, scarves, caps, mitts, gloves, bandages, bed jackets and the many other things which the Red Cross distributes to friends and families of those in the service.

Anderson's Plumbing & Heating Tinsmithing Of All Kinds

Come in and See Us About Your

Heating Requirements

Heating Systems of all Kinds

immediate family are in it. Think of the suffering, and fill empty stomachs with something more than the husks of good satisfying food. GIVE AND GIVE ALL. If we have no sons or relatives in the service, we should give in gratitude that our loved ones are still at home. If those we love are in service, then we should give in the hope that our contributions will help in case they need it to make their lot a little more pleasant in the midst of cruelty, butchery and needless destruction in so many quarters. If we have anything, we should give some to the Red Cross. We owe it to the cause of freedom and democracy. Don't wait for canvassers. Make everyone's work lighter by handing in or mailing in your contribution to Lee Brewerton, D. V. Gilmour or any member of the local Red Cross committee. A canvass should be made to this worthy cause that is necessary for such a cause.

Notice re Lawn Water

A \$3.00 Fee has again been set for Lawn Watering and this must be paid at the Town Hall before Water is used.

Hours for Watering:

North end of Town 1 to 6 p.m.

South end of Town 6 to 11 p.m.

The dividing line is the Street running East and West past the Texaco Station.

The Hours for Lawn Watering will be STRICTLY ENFORCED.

BY ORDER OF

MUNICIPAL COUNCIL IN LENGTHY MEETING

The Council of Sugar City M. D. No. 137 met in session Tuesday and Wednesday morning. Considerable business had accumulated that had to be attended to.

R. W. Gardner was appointed Auditor of the District at a salary of \$475.00 per annum.

Walter Zolbell was named the Weed Inspector for the District from Magrath east at a salary of \$8.00 per day. The Inspector to furnish his own car. Andrew Peterson was asked to select an inspector for the west part of the District and to bring in his recommendation at the next regular meeting.

The following round keepers were appointed: Arthur Wildt for Welling; J. M. Sykes for Stirling; Paul Wocknitz and George Card for Magrath, and Percy Jones for Twin River and Del Bonita.

Mill rates over the district were set at 4 Mills for the Sugar City M. D. Cardston School District 11 mills, Lethbridge School District 16 mills, Cardston Hospital District 2 mills.

The question of a second main tainer for roads in the District was tabled for a month until the Council had a report on the work of their present maintaining equipment with respect to the size of the District.

A delegation was present from the Raymond Hospital unit, and also from the Magrath district. A division of opinion occurred and the Magrath resolution was voted 3 for 2 against, while the Raymond proposition was tabled no vote being called for on it.

Amongst recent observers graduating at Sask., was the name of Thurston son of Mr. and Mrs. S. B. Smith. We congratulate Thurston on his achievement in this field and wish his success and a safe return home.

DRASTIC NEW REGULATIONS

restricting sales of new, retreaded, and used tires, new and used tubes, and retreading services

ARE NOW IN EFFECT

Only a limited few, the owners of essential eligible vehicles, may now obtain usable tires or tubes, or retreading services. Apart from sales permitted by the new regulations, no person may buy or sell, borrow or lend, barter, give away, mortgage, burn, cut, destroy or otherwise dispose of any such tire or tube. Eligible vehicle owners are divided into three classes, on this basis:

Class: Who may buy:	What may be bought:	How purchases may be made:
"A" Physicians, Visiting nurses, Firefighters, Police, Certain trucks, etc.	New, retreaded, or used tires; new or used tubes; retreading services.	To buy new tire or tube, retreaded tire or retreading service, purchaser must apply for Ration Permit to the nearest office of Wartime Prices and Trade Board: (For used tire or used tube, see Class "C").
"B" War Technicians, War supply inspectors, Taxi owners, etc.	Retreaded or used tires; used tubes; retreading services.	To buy retreaded tire or retreading services, purchaser must apply for Ration Permit to the nearest office of Wartime Prices and Trade Board: (For used tire or used tube see below).
"C" Food inspectors, Scrap buyers, Travelling repairmen, Rural school teachers, etc.	Used tires, used tubes.	A vehicle owner in this class may buy only used tires or used tubes. He must prove necessity to any authorized dealer and fill out with the dealer a Purchase Certificate. Classes "A" and "B" may also buy used tires and tubes under the same conditions.

FULL DETAILS OF THE NEW ORDER ARE OBTAINABLE FROM ANY TIRE DEALER

Very severe penalties will be imposed for any infractions of the new regulations. The tire dealers of Canada are co-operating with the Government in the efficient operation of the order, and in its enforcement. It is their patriotic duty to repair and legally resell all usable tires in their possession, and turn over at once to the nearest salvage agency any scrap rubber they have on hand or receive in the future, including all tires and tubes no longer serviceable.

Every person, whether a dealer or not, must report by May 31 to the Tire Rationing Representative at his nearest Wartime Prices and Trade Board office, all tires and tubes in his possession on May 15, which are not scrap, and which are not on the running wheels and one spare rim of each vehicle he owns.

Department of Munitions and Supply

HONOURABLE C. D. HOWE, MINISTER, OTTAWA

CONSERVE YOUR TIRES—THEY ARE PROBABLY THE LAST YOU WILL HAVE UNTIL THE WAR IS OVER

Flax and Coarse Grains Production Needed as a War Measure

Farmers are urged by the Government to produce as much coarse grains and flaxseed as possible.

Coarse grains are required for the production of livestock and dairy products, and flaxseed is urgently needed for its oil content.

THE ALBERTA PACIFIC GRAIN COMPANY, LIMITED (35)

Maybe you think your small change cannot help... that "total war" means "somebody else."

Maybe you're one of the thousands of housewives who haven't yet started to put even 50¢ a week into War Savings Stamps—just a neutral...

There aren't any neutrals in this war! You're a help or a hindrance to victory. You can't get out of it. If you spend thoughtlessly you'll deny our fighting forces the arms they need and imperil your own future. If you—and 2,000,000 other housewives in Canada—put only 50¢ a week into War Savings Stamps, it means \$1,000,000 a week to help win the war. Which side are you on?

Buy War Savings Stamps from banks, post offices, druggists, grocers and other retail stores.

National War Finance Committee.

If this happens here

You'll be glad you gave to the Red Cross

One of these days bombs may come crashing down in your neighborhood. Your house may be left in ruins. You or your child may be crying feebly for help. Your friends, your family, may be left homeless.

No matter what happens, you'll never regret that you gave to the Red Cross. Reach out the hand of mercy to help those crushed by grief and pain. You will not turn a deaf ear to the cry of the injured and the suffering.

The Canadian Red Cross is just your heart with other Canadian hearts beating in compassion for suffering humanity. YOU want to be a part of this great mission of mercy. You will give to your Red Cross. Open your heart and purse strings—GIVE generously.

The Canadian Red Cross Society's accounts are subject to scrutiny by the Auditor General of Canada.

FARMERS... YOU CAN BORROW For War-time Production

If you need money to improve your production of food and other essential
supplies to help Canada's war effort, you are invited to discuss your
needs with our nearest branch manager, who will treat your business as
strictly confidential.

Supplying credit to farmers for constructive purposes is traditional with
the Bank of Montreal, which since 1817 has co-operated with all Canadian
industry, including agriculture. Our branch managers understand the
banking needs of farmers engaged in every branch of production.
